deliver reliable results

GCT Vanterm | GCT Deltaport

GCT Deltaport

Technology That Delivers

Located in the outer harbour of the Port of Vancouver, GCT Deltaport is Canada's flagship container terminal and the most advanced and largest on-dock rail facility in North America. Designed with the technology to handle the largest vessels and surges with ease to keep pace with the ever-changing needs of the industry.

- ✓ Most advanced on-dock rail facility in North America; 1.9 million TEU annual rail capacity
- ✓ Serviced by two Class I railways with the option to add a third
- ✓ 21+ key rail destinations in Canada and the U.S.
- ✓ Unsurpassed surge capacity & fastest transit times
- ✓ Cutting edge terminal technology and software
- ✓ Ongoing terminal upgrades, including replacement of older ship-to-shore cranes with more modern, efficient cranes

Facility Details:

Size	85 hectares (210 acres)
Berth Length	1,100 contiguous metres (3,609 feet)
Depth	15.9 metres (52 feet) MLW
STS Cranes	2 Megamax, 10 Super Post Panamax
Truck Gates	Predictable 16-hour weekday gate operations, weekends as required. Mandatory truck appointments.
Intermodal Yard	On-dock, 8,334 metres (27,350 feet)
Shore Power	Yes
Container Examination Facility	New near-dock container examination facility reduces potential delays.

GCT Vanterm

Expanding for the Future

Situated in Vancouver's inner harbour, GCT Vanterm is renowned as one of the most productive terminals in North America. Recent terminal upgrades have made service at GCT Vanterm more streamlined and equipped the facility to better handle even larger vessels.

- ✓ Located in Vancouver's inner harbour
- ✓ Shorter port stays for vessels
- ✓ Leading truck transaction times
- ✓ Dual railway access
- ✓ Recently modernized equipment fleet to better service larger vessels
- ✓ 2 new ship-to-shore cranes in service 2021, can serve largest vessels in the inner harbour; increasing vessel productivity

Facility Details:

Size	31 hectares (76 acres)
Berth Length	619 contiguous metres (2,030 feet)
Depth	15.5 metres (51 feet) MLW
STS Cranes	7 Super Post Panamax
Truck Gates	15-hour weekday gate operations, weekends as required. Mandatory truck appointments.
Intermodal Yard	On-dock, 9 tracks, 2,926.1 metres (9,600 feet)
