	Containerized Cargo means cargo that is received in a container for movement between vessels and inlar not in containers is called Breakbulk cargo.	d carriers or the CFS. Cargo
	Container Storage area means an area within the Terminal of open or ground space or similar area provid storing inbound or outbound empty containers in idle status.	led by the Company for
	Container Yard (CY) is the area designated on the Terminal where containers in transit between vessels a on-dock CFS are temporarily held or assembled.	and inland carriers or the
	Dock Apron means the area on the Terminal adjacent to a vessel where cargo or containers are interchan and a vessel.	ged between the Terminal
	Free Time means a period of time during which goods may be left on Terminal property without demurrate the before loading or after unloading a vessel. Please refer to item 6400.	age charges being incurred
4175	Hirer means a person who hires a crane or other equipment from the Company.	
	Inland Carrier means railroad, truck line, cartage company, private carrier or inland waterway carrier increceives or delivers cargo, containers or any other goods by rail car, chassis, pipeline, other vehicle or in	
	Main Mark means a mark that distinguishes the goods described in one bill of lading from the goods des- ading, but does not include package numbers, order numbers, brands or other sub-marks.	cribed in another bill of
4190	Ocean Carrier refers to vessel owners, their agents, employees, charterers or contractors.	
4195	Overtime/Premium time means hours of work in excess of straight time.	
4200	 Owner includes: in the case of a vessel: the owner, the agent, charterer by demise or master of the vessel; in the case of cargo: the agent, sender, consignee or bailee of the goods, and the carrier of such goo Authority property. 	ds to, upon, over or from any
4205	 Packaged Lumber means in the case of: export: lumber of uniform lengths which are in uniform loads properly packaged and strapped for means. Each unit must conform to B.C. Export Lumber Packaging Schedule and be not less than 2 (approximately); import: hardwoods and woods of value which are strapped into units each containing a minimum of (approximately) for handling by mechanical means. 	4" high x 40/48" wide

VANTERM AND DELTAPORT, PORT OF VANCOUVER Item DEFINITIONS Item Issued: March 7 4210 Place of Rest for Breakbulk cargo is defined as that area on the Terminal which is assigned by the Company for the receipt of cargo from the vessel and from which inhound cargo may be delivered to the consignee and that area which is assigned by the Company for the receipt of outbound cargo from shippers for vessel loading. 4215 Shipment means a single quantity of goods tendered on one shipping document at one time from one point of origin by one sl for one consignee to one point of destination. 4216 SOLAS Container Weight Verification Requirement means the requirement under SOLAS, Chapter VI, Part A, Regulation 2 into effect July 1, 2016), on shippers of packed containers, regardless of who packed the container, to verify and provide the container signes verified weight to the ocean carrier and terminal operator before it can be loaded onto a vessel. A verified cenveright is a condition for loading a packed container moboral a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel and vessel for export. A terminal operator is prohibited from loadin packed container weight. 4220 Straight Time means the hours of work defined in the collective agreement as regular straight time hours. 4221 Tome means: (a) with reference to weight, one thousand kilograms and. 4230 Unitized Goods means goods that are consolidated, palletized, s	PAGE 16	GCT CANADA LIMITED PARTNERSHIP	PAGE 16
hem DEFINITIONS 4210 Place of Rest for Breakbulk cargo is defined as that area on the Terminal which is assigned by the Company for the receipt of outbound cargo from shippers for vessel loading. 4211 Shipment means a single quantity of goods tendered on one shipping document at one time from one point of origin by one sl for one consignee to one point of destination. 4216 Sol.AS Container Weight Verification Requirement means the requirement under SOLAS, Chapter VI, Part A, Regulation 2 into effect July 1, 2016), on shippers of packed containers, regardless of who packed the container, to verify and provide the container's gross verified weight to the ocean carrier and terminal operator before it can be loaded onto a vessel. A verified centweight is a condition for loading a packed ontainer onboard a vessel for export vishout a verified container and seesel for export without a verified container weight. 4220 Straight Time means the hours of work defined in the collective agreement as regular straight time hours. 4231 (b) with reference to weight, one thousand kilograms and (b) with reference to measurement, one cubic metre 4232 Vessel means any steamship, scow, barge, raft, or other watercraft that is presented for berthing. Reference to the vessel inclus without exception, its owner, charterer, agent, operator and employees. 4240 Abbreviations 1 In this tariff, the following abbreviations are used: 4232 Vessel means any steamship, scow, barge, raft, or other watercraft that is presented for berthing.	1 [®] Revisio		1 st Revision
4210 Place of Rest for Breakbulk cargo is defined as that area on the Terminal which is assigned by the Company for the receipt of cargo from the vessel and from which inbound cargo may be delivered to the consignee and that area which is assigned by the Company for the receipt of outbound cargo from shippers for vessel loading. 4215 Shipment means a single quantity of goods tendered on one shipping document at one time from one point of origin by one sl for one consignee to one point of destination. 4216 SOLAS Container Weight Verification Requirement means the requirement under SOLAS, Chapter VI, Part A, Regulation 2 into effect July 1, 2016), on shippers of packed container rai dretminal operator before it can be loaded onto a vessel. A verified ce weight to the ocen carrier and terminal operator before it can be loaded onto a vessel. A verified explite to the constainer's gross verified weight to the ocen carrier and terminal operator before at a vessel. A verified explite the constainer aboard a vessel for export without a verified container weight. 4220 Straight Time means the hours of work defined in the collective agreement as regular straight time hours. 4221 Unitized Goods means goods that are consolidated, palletized, shrinkwrapped, banded or otherwise securely held together to single unit in order to facilitate mechanical handling, and that remain intact until removed from the Terminal. 4223 Vessel means any steamship, scow, barge, raft, or other watereraft that is presented for berthing. Reference to the vessel inclu without exception, its owner, charterer, agent, operator and employees. 4244 CFS means Container Freight Station (4145)	Item	DEFINITIONS	Effective: July 1, 2016
 eargo from the vessel and from which inbound cargo may be delivered to the consigned and that area which is assigned by the Company for the receipt of outbound cargo from shippers for vessel loading. Shipment means a single quantity of goods tendered on one shipping document at one time from one point of origin by one sl for one consigned to one point of destination. SOLAS Container Weight Verification Requirement means the requirement under SOLAS, Chapter VI, Part A, Regulation 2 into effect July 1, 2016), on shippers of packed containers, regardless of who packed the container, to verify and provide the container's gross verified weight to the ocean carrier and terminal operator before it can be loaded onto a vessel. A verified cot weight is a condition for loading a packed container onboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container would a vessel or export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin and (b) with reference to weight, one thousand kilograms and (b) with reference to measurement, one cubic metre Unitized Goods means goods that are consolidated, palletized, shrinkwrapped, banded or otherwise securely held together to single unit in order to facilitate mechanical handling, and that remain intact until removed from the Terminal. Vessel means any steamship, scow, barge, raft, or other watercraft that is presented for berthing. Reference to the vessel inclus without exception, its owner, charterer, agent, operator and employees. Abbreviations In this tariff, the following abbreviations are used: CFS means Container Freight Stat	item		Issued: March 7, 2016
 for one consignee to one point of destination. 4216 SOLAS Container Weight Verification Requirement means the requirement under SOLAS, Chapter VI, Part A, Regulation 2 into effect July 1, 2016), on shippers of packed containers, regardless of who packed the container, to verify and provide the container's gross verified weight to the ocean carrier and terminal operator before it can be loaded onto a vessel. A verified container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export without a verified container weight. 4220 Straight Time means the hours of work defined in the collective agreement as regular straight time hours. 4221 Tonne means: (a) with reference to weight, one thousand kilograms and (b) with reference to measurement, one cubic metre 4230 Unitized Goods means goods that are consolidated, palletized, shrinkwrapped, banded or otherwise securely held together to 1 single unit in order to facilitate mechanical handling, and that remain intact until removed from the Terminal. 4235 Vessel means any steamship, scow, barge, raft, or other watercraft that is presented for berthing. Reference to the vessel inclu without exception, its owner, charterer, agent, operator and employees. 4240 Abbreviations In this tariff, the following abbreviations are used: CYS means Container Freight Station (4145) CY means Container Freight Station (4145) M/E means that the n	4210	cargo from the vessel and from which inbound cargo may be delivered to the consignee and that area	
 into effect July 1, 2016), on shippers of packed containers, regardless of who packed the container, to verify and provide the container's gross verified weight to the ocean carrier and terminal operator before it can be loaded onto a vessel. A verified conveight is a condition for loading a packed container onbeard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container aboard a vessel for export. A terminal operator is prohibited from loadin packed container straight time hours. 4220 Straight Time means the hours of work defined in the collective agreement as regular straight time hours. 4221 Torne means: (a) with reference to weight, one thousand kilograms and (b) with reference to measurement, one cubic metre 4230 Unitized Goods means goods that are consolidated, palletized, shrinkwrapped, banded or otherwise securely held together to 1 single unit in order to facilitate mechanical handling, and that remain intact until removed from the Terminal. 4235 Vessel means any steamship, scow, barge, raft, or other watercraft that is presented for berthing. Reference to the vessel inclu without exception, it	4215		point of origin by one shipper
 4225 Tonne means: (a) with reference to weight, one thousand kilograms and (b) with reference to measurement, one cubic metre 4230 Unitized Goods means goods that are consolidated, palletized, shrinkwrapped, banded or otherwise securely held together to a single unit in order to facilitate mechanical handling, and that remain intact until removed from the Terminal. 4235 Vessel means any steamship, scow, barge, raft, or other watercraft that is presented for berthing. Reference to the vessel incluwithout exception, its owner, charterer, agent, operator and employees. 4240 <u>Abbreviations</u> In this tariff, the following abbreviations are used: 425 CFS means Container Freight Station (4145) 425 CFY means Container Freight Station (4145) 425 M means that the number of tonnes is calculated by measurement, in cubic metres. 426 M/E means that the charge is based on manhour rates and charges for equipment rental, as set out in the tariff notice. 426 N.O.S. means cargo not otherwise specified. 426 SOLAS means the International Convention for the Safety of Life at Sea. 427 TEU means a twenty foot container or container unit that is the equivalent of a twenty foot container. 	4216	into effect July 1, 2016), on shippers of packed containers, regardless of who packed the container, to container's gross verified weight to the ocean carrier and terminal operator before it can be loaded or weight is a condition for loading a packed container onboard a vessel for export. A terminal operator	o verify and provide the nto a vessel. A verified container
 (a) with reference to weight, one thousand kilograms and (b) with reference to measurement, one cubic metre Unitized Goods means goods that are consolidated, palletized, shrinkwrapped, banded or otherwise securely held together to a single unit in order to facilitate mechanical handling, and that remain intact until removed from the Terminal. Vessel means any steamship, scow, barge, raft, or other watercraft that is presented for berthing. SIGOIN	VANTERM AND DELTAPORT, PORT OF VANCOUVER	
Item	TERMS AND CONDITIONS	Effective: February 1, 1997
Item	TERMS AND CONDITIONS	Issued: January 10, 1997
5220	Where a crane is transferred from one hirer to another without being shut down, the charge in responsibility positioning period shall be imposed on the first hirer and the charge in respect of the shutdown per hirer.	
5230	Where the minimum call-out time for the operators and maintenance crew of a crane, as provided is the period of time for which the crane is hired, the hirer shall be charged the cost of labour of the or the excess time unless for that excess time the crane is hired by another hirer.	
5240	Where a crane is used for any period of time for which the operators and maintenance crew are ent between the straight time costs and the overtime costs for that period shall be charged to the hirer.	
5250	The Company is not liable to a hirer for any loss arising out of an accident involving a crane and reperson, or any loss or destruction of or damage to property, unless the accident was caused solely be employee of the Company.	
5260	Every hirer shall indemnify the Company in respect of any claim, whether in contract, tort or other out of any accident involving a crane and resulting in the death or injury to any person, or any loss property, unless the accident was caused solely by the negligence of an officer or employee of the	s or destruction of or damage to
5270	The Company shall not be liable for delay or interruption in performing or failure to perform any s	service to be provided by a crane.
5280	Where a hirer requests the use of a crane and, after the crane has been made available, fails to make for all labour costs incurred.	te use of the crane, he shall be liable
5290	Charges for renting a crane are payable by the hirer.	
5300	Truck Chassis Servicing and Storage (1500)	
5310	Chassis servicing shall be provided by the Company only when space is available at the Terminal.	
5320	Chassis Reporting charge (1520) is payable for the issuing at the request of the owner on each occa when no chassis roadability check is performed or Equipment Interchange Receipt issued.	asion a chassis transits the Terminal
5330	 A Chassis Roadability Check (1525) includes reading the hubmeter and inspecting the following it general damage light lenses landing gear mud flaps tires locking pins license plates glad hands 	tems of the chassis:

PAGE 21	GCT CANADA LIMITED PARTNERSHIP PAGE 21
6 th REVI	SION TERMINAL SERVICES TARIFF 6 th REVISION VANTERM AND DELTAPORT, PORT OF VANCOUVER
_	Effective: December 1, 2022
Item	TERMS AND CONDITIONS Issued: December 1, 2022
5340	Chassis Storage (1530) is the service of providing open storage space for ocean carrier owned or controlled chassis in idle status and shall be charged per calendar day or part thereof.
5350	Notwithstanding the performance or non-performance of services referred to in the chassis roadability check, the Company is not liable for any damage, loss or personal injury caused by or resulting from a faulty chassis unless such damage, loss, or personal injury occurred solely as a result of the negligence of an officer or employee of the Company.
5400	Container Services (1700)
5410	Plugging/Unplugging (1710) means the service of plugging or unplugging the power cable of mechanical refrigerated containers into/from the electrical service outlets at the Terminal and switching the electrical power on/off.
5420	Container Monitoring (1720) for temperature checks is the service of checking proper temperature levels and operation of containers equipped with integral refrigeration units as requested when plugged into Terminal electrical facilities.
5430	Electrical Power for refrigerated units (1730) is the use of service outlets and electricity and/or required in connection with empty containers. A charge shall be imposed for each calendar day or fraction thereof.
5435	The Company will exercise reasonable care to provide adequate and continuous electrical power for refrigerated units but does not guarantee same. The Company will not be responsible for electrical power failure.
5440	Container Cleaning (1740, 1750) means the cleaning by vacuum, or sweeping of dunnage or debris from containers and/or the interna washing or steam cleaning of the container to prepare and ready the container for use in the carriage of cargo.
5450	Container Storage (1800) is the service of providing open or ground space in the container storage area for empty containers in idle status.
5455	Empty Containers will only be accepted for storage at the Terminal subject to there being sufficient available space on the Terminal to accommodate same and providing such space is not otherwise required to accommodate laden containers or other cargoes which may be designated to transit the Terminal.
5460	Containers accepted for storage will be assembled in a block stow configuration separated by owner, size and general type only. Normal retrieval of containers will be conducted on the basis of first container available from the storage pile with due diligence and care being taken to maintain as far as is possible a revolving inventory. When requests are received to retrieve containers by specific series, or number or by any other special identifying feature which may result in the need to dig within the storage pile to retrieve the container requested, an additional yard rehandling charge will be assessed for each additional container move required in order to retrieve the container requested.
5465	Storage charges for empty containers are payable from the time of receipt to the container storage area and shall be invoiced monthly calculated according to the number of containers in storage each day of the month covered by the invoice.
5470	Notwithstanding the empty container free maximum storage limits shown in Item 1820, acceptance of empty containers by the Company is made with the full understanding by the ocean carrier that in the event the space is required to accommodate cargoes or containers intended to transit the Terminal, the ocean carrier will undertake to relocate the containers from the Terminal forthwith.
5480	Rail Overage / Intermodal Railcar Shortage Surcharge
	The Rail Overage Surcharge is assessable against all laden import rail volumes above car supply commitments to the Ocean Carrier a declared by their designated rail carrier to the Company and commences the following working day from when the Ocean Carrier has been properly notified that the rail overages are to be trucked off the terminals immediately.
	The Intermodal Railcar Shortage Surcharge is assessable against all laden import rail volumes dwelling on terminal in excess of fiv (5) calendar days caused by railways' network failure to provide sufficient railcar supply on schedule. Ocean Carrier will be properly notified when these situations occur and when charges apply.
5490	Container Security Charge (1900)
	The Container Security Charge is assessable against all laden TEUs which transit the terminal and are loaded to or discharged from any vessel (including barge), train or truck. The charge is instituted to defray extraordinary costs associated with the provision of heightened maritime security as required by national and international regulatory authorities.

PAGE 35 GCT CANADA LIMITED PARTNERSHIP PAGE 35 3rd REVISION 3rd REVISION TERMINAL SERVICES TARIFF VANTERM AND DELTAPORT, PORT OF VANCOUVER Effective: April 1, 2008 TERMS AND CONDITIONS Item Issued: March 1, 2008 7540 Limitation of Liability - Mixed Cargo It is a condition of the performance by the Company of the services referred to in this tariff that the Company, its officers or employees will not acknowledge the receipt of or have any responsibility or liability whatsoever for any goods that are unloaded from a vessel in such a manner that they are likely to be mixed with goods covered by more than one bill of lading, unless an employee of the Company is given sufficient time and opportunity to sort, count and inspect the goods. The record of sort, count, or damage compiled by the Company or its employee shall in the event of any claims being made against the Company for loss, damage or expense be deemed to be an accurate record of sort, count or damage of the goods upon receipt from the vessel. 7550 Exclusions, Exemptions and Limitations in Bill of Lading and Passenger Tickets Applicable It is a condition of the use of the Terminal and the performance by the Company of the services referred to in this tariff that the Company, its officers or employees are not liable for any loss or destruction of or damage to property or the death of or injury to persons including but not limited to vessel passengers and crew, unless such loss, destruction or damage or such death or injury occurs solely as a result of the negligence of the Company or its employees; provided that neither the Company nor its employees, servants or agents shall be liable for any loss or damage to non-Company trucks caused by Terminal equipment whether by collision or otherwise, nor for any consequential loss or damage arising there from, whether or not arising from the negligence of the Company, as more particularly set out in the Terminal Rules for Truck Drivers which are incorporated herein. Such trucks are at owner's risk of loss or damage. 7560 It is a condition of the use of the Terminal and the performance by the Company of the services referred to in this tariff that the Company, its officers and employees shall in any event be entitled also to the same exceptions, exemptions, restrictions and limitations of liability provisions of all contracts of affreightment as are set out in the carrier's favour in any bill of lading or similar document relating to the goods in question and, in the case of vessel passengers, any passenger tickets or contracts between the carrier and such passenger. 7570 It is a condition of the use of the Terminal and the performance by the Company of the services referred to in this tariff that the Company, its officers and employees that the ocean carrier will include the Company or arrange to have it included as an express beneficiary, to the extent of the services to be performed hereunder, of all rights, immunities and limitation of liability provisions of all contracts of affreightment, as evidenced by its or carrier's standard bills of lading and/or passenger tickets, issued by the ocean carrier or the carrier. Whenever the customary rights, immunities and/or liability limitations are waived or omitted by the ocean carrier, as in the case of ad valorem cargo, the ocean carrier agrees to hold the Company harmless from and indemnify it against any resultant increase in liability. 7580 It is a condition of the use of the Terminal and the performance by the Company of the services referred to in this tariff that the Company, its officers and employees that in the event the ocean carrier is not the carrier of the cargo to be handled by the Company, the ocean carrier expressly agrees that all rights, immunities and liability limitations contained in the involved carrier's applicable bill of lading shall inure to the benefit of the Company. The ocean carrier agrees that in no event shall the Company have any liability in excess of that of the carrier respecting loss or damage of cargo and agrees to hold the Company harmless from and indemnify it against any liability incurred by the Company in excess of that of the carrier respecting loss or damage to cargo. 7590 No Right of Deduction or Set-Off It is a condition of the use of the Terminal and the performance by the Company of the services referred to in this tariff notwithstanding any liability or alleged liability of the Company or the Vancouver Fraser Port Authority under this tariff or otherwise, owners, shippers, consignees, carriers, cargo or vessel interests, and any other persons responsible for charges under this tariff, shall not be entitled by reason of any such liability or alleged liability to any deduction from, reduction of, set-off against or waiver of any charges payable under this tariff or under the Fee Detail Document, all of which shall be paid in full as and when due. 7600 **Exclusions, Exemptions and Limitations are Cumulative** It is a condition of the use of the Terminal and the performance by the Company of the services referred to in this tariff that the Company, its officers and employees that the exclusions, exemptions and limitations of liability set forth in or referred to in Items 7500 through 7590 above are cumulative and are in addition to and not in substitution for or in limitation of any other clauses excluding, exempting or limiting liability as set forth in this tariff or any other exclusions, exemptions or limitations of liability upon which the Company may rely at law or in equity.
